Please provide a paper copy of the child's immunization history when submitting your application, or bring prior to the child's first day of camp.

Subpart 7-2 of the New York State Sanitary Code requires camps to maintain immunization records for all campers which includes dates for all immunizations against diphtheria, haemophilus influenza type b, hepatitis b, measles, mumps, rubella, poliomyelitis, tetanus and varicella (chickenpox). The record must be kept on file for every camper and updated annually.

Please also provide other medical/dietary/behavioral information you'd like us to know about your child, including attaching a copy of any applicable treatment plans or IEP:
