COVID SAFETY PARENTAL AGREEMENT: To ensure that every child has a safe, fun, and meaningful experience at Seed Song Center's Farm Camp, we require every parent to read and sign the following COVID Agreement Form and submit with registration. Upon arrival to camp each day, each child will have their temperature taken. Any child with a temperature above 100.0 degrees F, will be sent home for the day and require a negative test to return to camp.

By sending your child to camp you are affirming that the child has not exhibited any of the symptoms below: Signs and symptoms of COVID-19: (compiled from WHO checklist)~Shortness of breath ~Loss of taste or smell~Chest tightness ~Dry cough~Temp over 100.0 ~Aches and pains

Collective Agreement with Seed Song Center camp staff and families: "By sending my child to Seed Song Center's camp, I pledge that my family's habits outside of camp will be transparent and safe on behalf of all camp families and staff. While my child attends camp and for one week prior, my family and/or housemates will keep as safe a distance as practicable from any source of potential contagion. If anyone in my home or my child's home experiences an above-listed symptom of COVID-19, or has had contact with a known positive case in the last 14 days, we will not send our child to camp until we have gotten a negative test. I am aware that my actions at home could seriously impact essential workers and other camper families.

My child will bring a mask to camp each day, and will need to wear it whenever they are in an enclosed or shared space. I will ensure that the person that drops off and picks up my child wears a mask at these times and follows this agreement.

I understand that in order to serve families, Seed Song Center has committed resources to the camp program and staff even knowing the risk that camps may be shut down by New York State, or that one camp group may become infected and need to stay at home. I will share in this risk and am aware that camp fees can not be refunded in the

case of a shut-down, as well as in the case of any child illness in which the child's space can not be filled from a waiting list.
